

VIDYAVARDHAKA COLLEGE OF ENGINEERING

DEPARTMENT OF ELECTRONICS AND COMMUNICATION

ACADEMIC YEAR 2015 – 2016

DISTINGUISHED LECTURES

1. “Manufacturing Process of Capacitors” by Mrs. Dhanalakshmi S.V, Production Manager, Advance Components and Instruments Pvt Ltd. Held on 01/10/2015 for 3rd Semester students

Tech Talk by Mrs. Dhanalakshmi S.V on “Manufacturing Process of Capacitors”

2. “VLSI – Design For Testing” by Mr. Prashanth Narayana, Senior DFT Engineer, Avago Technologies. Held on 10/10/2015 for 5th Semester students.

Tech Talk by Mr. Prashanth Narayana on “VLSI – Design For Testing”

3. “Optical Networks – Impact on Society” by Dr. Sathyanarayana, Professor and Head, Department of ECE, GSSSIETW. Held on 08/10/2015 for 7th Semester students.

Tech. Talk by Dr. Sathyanarayana on “Optical Networks – Impact on Society”

4. “Key concepts in Signal Processing” by Dr. Hari Krishna, Consultant, Sciler. Held on 01/04/2016 for 4th Semester students.

Tech Talk by Dr. Hari Krishna on “Key concepts in Signal Processing”

5. “Embedded Systems today and IOT” by Mr. Prashanth Mallanna, Deputy Delivery Head, L&T Tech Services Held on 17/02/2016 for 6th Semester students.

Tech Talk by Mr. Prashanth Mallanna on “Embedded Systems today and IOT”

6. “MEMS and NANO Technology and their Applications” by Dr. Rudra Swamy, Professor, SJCE. Held on 31/03/2016 for 8th Semester students.

Tech Talk by Dr. Rudra Swamy on “MEMS and NANO Technology and their Applications”

INDUSTRIAL VISITS

1. DMS Technologies Pvt Ltd, a Printed Circuit Board (PCB) manufacturing firm. Visit was organized for 5th semester students on 01/10/2015

Visit to DMS Technologies Pvt Ltd by 5th semester students

2. Master Control Facility, ISRO, Hassan. Visit was organized for 6th semester students on 01/04/2016

Visit to MCF, ISRO by 6th semester students

3. Kaynes Technologies, Mysuru. Visit was organized for 4th semester students on 30/04/2016

Visit to Kaynes Technologies by 4th semester students

4. SkanRay Mysuru, Visit was organized for M.Tech 2nd semester students on 21/05/2016

Visit to SkanRay by M.Tech. 2nd semester students

Inaguration of e-Yantra Robotics Lab Workshop

Faculties who participated in 5 days Wipro MTLC – UTLP workshop

WORKSHOPS CONDUCTED

1. Three days Wipro MTLC – UTLP Practitioner workshop conducted for 5th semester students of circuit branches from 20/01/2016 to 22/01/2016

Students enthusiastically participating in Wipro MTLC - UTLP Workshop

2. PCB Designing workshop conducted for 4th semester students on 05/03/2016

Students involved in designing PCBs

Students demonstrating their work in PCB designing workshop
