**REPORT ON AWARENESS PROGRAM ORGANISED BY WOMEN'S SAFETY AND GRIVENCES
REDRESSAL COMMITTEE**

On 29/12/18, a group of 1st year students from both MBA and BE of Vidyavardhaka College of Engg., had been to Government Higher Primary School in Kumbarkoppal to create awareness on self-defence, personal hygiene, importance of education, use of social media. Students presented skits on the above topics to make the students understand the importance on these social issues. The session was concluded by taking feedback from the school students about the impact of this program.
