

About the College

Vidyavardhaka College of Engineering is one of the prestigious Engineering colleges in Karnataka located in the heritage city of Mysuru. Established in 1997, VVCE has grown in leaps and bounds since its inception. VVCE is an autonomous institute affiliated to Visvesvaraya Technological University (VTU), Belagavi, approved by AICTE and UGC, New Delhi and recognized by Govt. of Karnataka. Six UG programs are accredited by National Board of Accreditation, New Delhi. VVCE is also accredited by NAAC with "A" grade. VVCE offers 7 UG and 3 PG programs, along with 9 Research Centers to pursue PhD programs. VVCE has more than 3500 student population. The college has excellent infrastructure coupled with qualified and passionate faculty team to provide a perfect learning ambience. The Institution has a rich knowledge source with 210+ well trained faculty, experienced in different specializations. The institute promotes Outcome Based Education by providing a learning environment that concentrates on project based learning with good exposure to Innovation, Research, outside world interaction, and Entrepreneurial skills.

Chief Patrons

Sri Gundappa Gowda
President , VVS, Mysuru

Sri B Shivalingappa
Vice President, VVS, Mysuru

Sri P Vishwanth
Secretary, VVS, Mysuru

Sri Shrishaila Ramannavar
Vice President, VVS, Mysuru

Patrons

Dr. B Sadashive Gowda
Principal , VVCE, Mysuru

Dr. H S Dayananda
Dean Academics(VTU)
VVCE, Mysuru

Dr. T P Surekha
Dean
Academics(Autonomous)
VVCE, Mysuru

Coordinator

Dr. Ravi Kumar V
Prof & Head, Dept. of CSE
VVCE, Mysuru

AICTE Sponsored
Six days offline FDP
on
"iOS App Development"
from
22 - 27 February 2021

Organized By

**Department of Computer Science
and Engineering**

**Vidyavardhaka College of
Engineering**
**Autonomous Institute Affiliated
to VTU, Belagavi**
**Approved by AICTE, New Delhi &
Govt. of Karnataka**

About the Department

The Department of Computer Science and Engineering in Vidyavardhaka College of Engineering has been a pioneering academic center for under graduation and post-graduation in the areas of Computer Science and Engineering since its inception. It has actively pursued its mission of carrying out leading edge facilities in both foundational and Industry oriented problems. The students get an opportunity to specialize in various fields like Artificial Intelligence, Networks, Data Mining, Machine Learning and Cloud Computing. It is well equipped with state-of-art facilities including Apple Lab. The Department of CS&E is accredited by NBA and has an intake of 180 at UG level and 18 at PG level, with a total student population of around 900. It also offers a Ph.D. program through its VTU Research Centre.

Vision

The Department of Computer Science and Engineering shall create professionally competent and socially responsible engineers capable of working in global environment.

Mission

- Promote best practices in teaching-learning, with dedicated staff and supportive infrastructure to create technically competent engineers.
- Inculcate ethical and cultural values, communication and Entrepreneurial skills.
- Provide exposure to tools and technologies necessary to pursue higher education and research.
- Improve Industry-Institute relationship for mutual benefit.

About the FDP

AICTE (All India Council for Technical Education) Short Term Training Program (STTP) intends to conduct faculty trainings through financial assistance from AICTE to enable faculty members in the field of technical education to introspect and learn techniques thereby prepare students for active and successful participation in a knowledge society.

Objectives of the FDP

- Provide basic Knowledge of Swift Programming.
- Hands-on Swift Programming Practice using Apple systems available in the VVCE campus.
- Developing iOS Application using Swift.

Guidelines

- **No Registration Fee.**
- **Number of Participants is limited to 40.**
- FDP is an **offline** event. It will be conducted in VVCE Apple lab by maintaining SOP.
- **Accommodation will be provided for the participants if required.**
- The faculty members of any AICTE approved institutions can participate.
- Eligible participants will be selected based on **First Come First Serve Basis.**
- Participants having Mac Book can get their own systems for the FDP.
- Travelling Expense (second class train fare) will be provided to all the participants.
- **Food will be provided on all the days.**
- **Certificate will be provided** to all the participants who attend all the sessions. and **score minimum of 60% marks in the test** that will be conducted at the end of the training program.

Resource Persons

Eminent Speakers from premier institutions and industry.

Dates to Remember

- **FDP- 22 -27 February 2021**
- **Last date for registration 10-02-2021**
- **Intimation of selection through mail- 12-02-2021**
