## ABOUT VVCE

Vidyavardhaka College of Engineering is one of the prestigious engineering colleges in Karnataka, also known as VVCE. Established in 1997, has grown in leaps and bounds since inception. VVCE is an autonomous institute and recognised by the Government of Karnataka. The college is under the able leadership of Dr. B. Sadashive Gowda as Principal, who has rich experience in industry and education field both in India and abroad.

## ABOUT THE DEPARTMENT

The department of Computer Science and Engineering was established in the year 1997. Right from its inception, the Department has been a pioneering academic center for under graduation and post-graduation in the areas of Computer Science Engineering. It has assiduously pursued its mission of carrying out leading edge facilities in both foundational and Industry oriented problems. The department of CS&E is accredited by NBA and has an intake of 180 at UG level and 18 at PG level, with a total student population of 650. It also offers a Ph.D program through its VTU Research Center.

## ABOUT WiNG

Wireless Inter Networking Group (WiNG) at VVCE is a community where people work for the uplift of research in the area of Networking. WiNG mainly focuses on Computer Networks, Network Security, Protocol Design and Implementation, Internet of Things and Cloud Computing.
