

## Guidelines for Career Elective

Career Electives	CIE	SEE
Mini Project	50	50
Research	50	50
Add on course	50	50
Foreign language	50	50

**Mini- project:** Mini Project is a laboratory-oriented course which will provide a platform for the students to enhance the practical knowledge and skills by the development of small systems/applications. Based on the ability/abilities of the student/s and recommendations of the mentor, single discipline or a multi-disciplinary mini project can be assigned to an individual student or to a group having not more than 4 students.

The CIE marks awarded for the Mini-project work shall be based on the evaluation of literature review with problem formulation, implementation, and report in the ratio of 25:50:25. The marks awarded for the project report shall be the same for all the batch mates. The SEE shall consist of a Viva-Voce examination. The Viva-Voce examination shall be based on project implementation followed by Question Answer session in the ratio of 60:40.

**Research:** Research is the careful consideration of study regarding a particular problem using scientific methods. Research enables students to develop independent critical thinking skills along with oral and written communication skills.

The CIE marks awarded for the research shall be based on the evaluation of literature review, problem formulation and objectives along with a report in the ratio of 50:25:25. Presenting the work carried out in the National/International conference is mandatory.

The SEE shall consist of a Viva-Voce examination. The Viva-Voce examination shall consist of project implementation/Presentation, Question Answer session and paper presentation in the conference in the ratio of 60:20:20.

**Add on Course:** Add on courses aims to mould the students with employable skills. These job-oriented courses are designed to equip the students to face the emerging challenges in the job market.

The CIE marks awarded for the Add on courses shall be based on the continuous evaluation by the faculty/industry expert. The SEE marks shall be based on the evaluation by the faculty or industry expert.

**Foreign Language:** Foreign language helps in building a career and helps for better communication with people from all around the world.

The CIE marks awarded for the foreign language shall be based on the continuous evaluation by the trainer. The SEE marks shall be based on the evaluation by the trainer.
